'Jeevan Suraksha' by LIC and 'Jan Arogya' by GIC was made in the Budget Speech for 1996-97. In pursuance of that announcement, 'Jan Arogya' has been introduced w.e.f. 12th August, 1996 while 'Jeevan Suraksha' has been introduced w.e.f. 15th August, 1996.

The salient features of the two Schemes are as under:—

Jeevan Suraksha:

The Scheme is intended to help individuals to provide for retirement income by facilitating saving during their working career. On survival of the life assured to the vesting age and subject to the payment of all the premiums during the premium paying term, a normal pension during the life time of the life assured or commutation of 25% of the normal pension for a lumpsum and a balance of 75% of the normal pension will be payable during the life time of the life assured. In the event of death of the life assurance during the period of saving, the surviving spouse will be entitled to, had he paid all premiums and survived upto the vesting age. The minimum age at entry will be 30 years and the maximum age at entry will be 60 years.

Jan Arogya:

The Scheme is primarily meant for the larger segment of the population who can not afford the high cost of medical treatment. The limit of cover per person is Rs. 5,000/- per annum. The premium for an adult individual is Rs. 70/- upto 45 years of age. Persons beyond 45 years and upto 70 years can also be covered with slightly higher premium. A family of four comprising husband, wife and two children below the age of 25 can be covered for Rs. 5,000/- per head by paying annually a sum of Rs. 240/- only. The cover provides for reimbursement of medical expenses incurred by an individual towards hospitalisation/ domicilary hospitalisation for any illness, injury or disease contracted or sustained during the period of insurance.
